Approved For Release 1999/09/16 : CIA-RDP86-00039A000300040015-0

P.B. - 30 - 56

Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, Plans and Policy Staff

THRU : Executive Officer/TR

FROM : Chief, Film Production Branch

DATE: 5 September 1956

SUBJECT: Weekly Activity Report No. 36

SIGNIFICANT ITEMS

None

OTHER ACTIVITIES1. Communications Filmsa. Radio Communications - Film No. 1

The composite 35 mm print is expected to be delivered at Headquarters Monday, 10 September.

b. Personal Meetings - Film No. 2

All production footage, tape and approximately ninety per cent of necessary stock footage will be delivered to the commercial studio Thursday, 6 September. The remaining ten per cent of the stock footage is proving difficult to procure. This delay may cause postponement of the interlock showing, tentatively scheduled for the week of 17 September.

c. Safe Sites - Film No. 3

Research for location shooting continues.

2. Relocation of Offices of FPB

Offices of FPB have been moved from R&S Building to rooms 17 - 19, T-31. The telephone extensions are 8333-34.

2. Personnel

25X1A [REDACTED] is on annual leave from 4 September through 7 September 1956.
